

Did you know  
a leaking toilet  
can waste between  
**200–400**  
litres of water  
a day?

If you notice water trickling down the  
pan, tell a member of staff on site.

Do you want to save water at home? Why not try  
our Get Water Fit calculator. Find out how much you  
could save and order free water saving products!
